Client Testimonials

Sheila Creasman, TN

"Since we have been sleeping on this bed, my husband's shoulder problems have gone away, he doesn't need any more cortisone shots and my hip pain has stopped."

Thomas and Karen Webb, TX

"I just had to let you know how awesome this mattress is. I am only 40, but every morning I would get up with my body feeling like it was 85. I've only slept on the mattress 3 nights, and I leap out of bed in the morning. Not to mention the fact that I've had 2 really great naps. This has to be one of the best purchases I think we've ever made. I can't remember when I've ever had such a wonderful night's sleep"

Gary Graziani, CT

"My back stopped hurting the first night we put this bed into use!!! I am bragging about this bed to everyone, and hopefully you will get a few more sales because when they tried mine, they found 'bed love' at first feel!!!"

Terry Ann Domes, NV

"We have had no problems with our bed and love it. We get back aches when we sleep on other beds now!"

T. Young, CO

"We were shopping and considering a Select Comfort when we discovered Comfortaire. A much better value!"

"We have had our Comfortaire for 15 years and have been very pleased with the bed and the wonderful way that Debbie took care of us when we needed replacement parts."
